Club Rules

- We'd like to clarify that we do not offer a facility for 'visitors' to play on court unless explicit permission has been given by a member of the Committee – this is normally only given when the guest lives outside the area.
- When all courts are occupied with doubles games, and members are waiting, play must be limited to one short set (other than Club Tournament games).
- Singles may not be played when members are waiting. Singles players must finish the game, not set, and either play doubles or relinquish the court (other than Club Tournament games).
- Only authorised Juniors may play on Senior Club Night.
- Where Senior Members have priority, free courts may be used by Juniors, but must be vacated if requested
- **Floodlights are available Monday-Saturday until 9.30pm and may not be used on Sunday.**
- 'Open' means shared Senior/Junior play and extra coaching may be organised.
- Shoe Tags should be worn at all times and please look after your Key Fob - a replacement costs £10.00.
